

| <b>Problem Statement (PS)</b> | <b>I am (Customer)</b>       | <b>I'm trying to</b>                         | <b>But</b>                                 | <b>Because</b>                     | <b>Which makes me feel</b>      |
|-------------------------------|------------------------------|----------------------------------------------|--------------------------------------------|------------------------------------|---------------------------------|
| PS-1                          | Student / Citizen / Employee | Submit a complaint regarding a service issue | There is no centralized complaint platform | Complaints are handled manually    | Frustrated and ignored          |
| PS-2                          | Student / Citizen / Employee | Track complaint status                       | No real-time updates are available         | Existing systems lack transparency | Uncertain and dissatisfied      |
| PS-3                          | Administrator                | Manage complaints efficiently                | Complaint data is scattered                | No centralized dashboard exists    | Overwhelmed and inefficient     |
| PS-4                          | Department Staff             | Respond quickly to complaints                | Assignments are not streamlined            | Manual communication causes delays | Stressed and less productive    |
| PS-5                          | Organization Manager         | Monitor service performance                  | No analytics or reporting visibility       | Existing systems lack insights     | Concerned about service quality |
